

## UNIFORM POLICY

### AMITY MISSION STATEMENT

*It is our mission to create an engaging and challenging learning environment where students are encouraged to excel intellectually, academically and socially. We nurture our students' natural desires to learn with a personalised educational programme, project-based learning and guided enquiry. These promote the development of independent thinking, critical analysis, emotional intelligence and essential communication skills. Amity International School aims to serve all its Students by preparing a diverse range of courses, programmes, resources and facilities that serve Students' individual talents and interests, and help them secure the best chance of success and happiness in both their professional and personal lives.*
